## Condos Models s515 and s520

**CD&E** condos come in a variety of sizes to suit a number of needs and budgets. The two mid-size condos are standard at 5' tall and 2½' deep ~ you choose the width that best suits your situation:

Model s515 – width = 4' • Model s520 – width = 5'

All enclosures constructed with a 1" square furniture-grade PVC frame and 14 gauge 1" x 2" PVC Coated galvanized steel wire. Equipped with stainless steel marine-grade hinges and spring-loaded safety latches.

Standard with:

- (1) solid ABS plastic floor • (2) 30" x 12½" shelves • casters

Turn your Condo into a 2-level enclosure by adding a middle floor

Stands available for all Condos

Example: Floor with Access Hole

For additional flexibility ~ order your middle floor with an access hole or the recessed litter pan option so that the animals have access to both levels. When the litter pan (provided) or floor insert (optional) is in place, the levels are completely separate ~ but take it out and the animal can easily move between levels!
